WHAT IS UNITE?

Unite empowers unit commanders to create new opportunity for recreational and cohesive activities to strengthen the bond between members within the unit.

WHO IS ELIGIBLE?

Assigned Air Force, Space Force, Active Duty, Reserves, Civilian (NAF/APF) and Air National Guard members are all authorized Unite funds.

WHY UNITE?

- **TEAM BUILDING OPPORTUNITIES**
- Build strong and lasting relationships
- Strengthen unity and share vision

UNAUTHORIZED USE OF UNTE FUNDS

Unite funds have strict limitations: they cannot be used for parties, ceremonies, dining events, prizes, alcohol, equipment purchases, volunteer supplies, cleaning products (beyond basic gloves and trash bags), damages, or any gambling-related activity. Rentals are allowed only for recreational equipment that directly supports a unit cohesion event, and decorations must stay under 10% of total cost. Funds also cannot support charity donations or unapproved events, and any event executed without prior approval becomes the squadron's financial responsibility. Participation must be inclusive of all authorized unit members, and multi-unit or multi-day events require written commander agreement and clearly defined participation windows to ensure the program's core purpose—strengthening bonds within squadrons—is upheld.

INTERESTED IN UNITE? Follow these 3 easy steps:

- 1) **Connect with your C3 to plan, organize, and develop your program. Submit your Unite Event Request Form 14 days in advance for review/approval from AF Services.**
- 2) **Coordinate the event with your group (details, date, time, location, etc). Once the request is approved, your C3 will settle the charges. Your group will be responsible for any overages above the approved amounts.**
- 3) **HAVE FUN! Take 5+ photos and submit them along with an After Action Form within 3 days to close out your request.**

*Do not obligate or spend your own funds!
Reimbursements will not be authorized.*
